## MALDIVIAN EXCHANGE PROGRAMME

Where two nations bond

Inaugurated by reputed director, B. Ajith Kumar and Mrs. Mary George, Spectra is a student organized cultural fest headed by the 12th graders of TRINS. Spectra provides students of various schools to take part in a variety of events which gives students the platform to express themselves and showcase their talents.

The day commenced spectacularly with students outdoing themselves in various aspects and even inspiring some students to sign up for events on the spot. Students from five schools participated including: Loyola School, L'Ecole Chempaka International, L'ecole Chempaka, Sree Gokulam Public School, Saraswathi Vidyalaya.

The day never ceased to surprise as many witnessed the talents of the participants unfold. The excitement and cheers seemed to go forever as the schools tried to motivate their colleagues in the best way possible. Watching the participants even motivated non-participants to show off their talents during their free time

## July 17<sup>th</sup> Celebrations

### HAPPY BIRTHDAY TRINS!!

July 17<sup>th</sup> 2018 was indeed a very special and memorable day for TRINS. The school celebrated 15 years since its inception in 2003. The special day was commemorated in the presence of our Executive Director Mrs. Sapnu George, and her mother Mrs. Mary George.

Akash Manoj, our Sports Captain, was the MC for the day. The Event was officially inaugurated by the Lighting of the Lamp ceremony, done by Mrs. Sapnu, Mrs. Mary, Mrs. Sreeja Rajan - the vice principle, Mrs. Gayathri Rani - High School Section Head, Mr. Sreekumar - Senior Accountant, Mrs. Brindha and two students who've been studying at TRINS the longest - Uthara Harilal and Ashwath Alexander.

Mrs. Sapnu and Mrs. Mary then proceeded to cut the Birthday Cake, after which the hostelites showcased their talents by preparing a skit in front of the whole school, one that included a dance, a song and some very astounding acting.

# Maldivian Exchange

Trivandrum international School hosted its second Indo-Maldivian Exchange Program with the Ahmadiyya International School, the Maldives from 29th July – 04th August 2018. Twelve students of grade 8 and 9 along with two teachers from the school in Male visited Trivandrum International School as part of this exchange. The students stayed with their buddies while the teachers were hosted by the school hostel. As part of this academic and cultural exchange, the students visited various organizations in the city. Their trips included a visit to a coir making unit to learn about cottage industries and the Ayurveda medicine factory at Shantigiri Ashram. In addition they enjoyed a leisure trip in Poovar and interacted with the people working in these places and learnt more about our state. In school, they attended lessons, art, music and dance classes. They also took part in a football and basketball match with the grade 9 students. The students enjoyed their evenings with the host families with trips to the beach and backwaters, eating out and shopping for souvenirs. They also enjoyed home cooked food and spending time with the host family. The host buddies are now planning their trip to the Maldives and look forward to continuing their friendship when they visit their partners.
