BLOOD!

BLOOD DONATION CAMP

CONDUCTED BY TRIVANDRUM INTERNATIONAL SCHOOL

Personal Project Exhibition

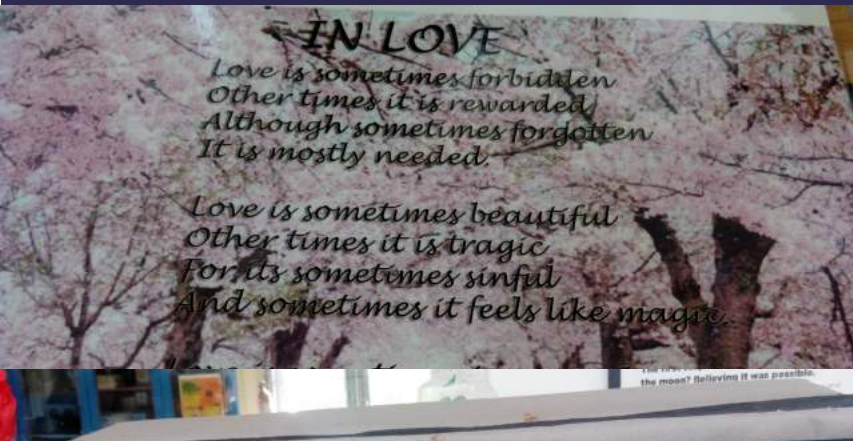

The Middle School Personal Project Exhibition was conducted on the 15th of January. This was the culmination of an eight months long project work by the students of grade 8. Topics ranging from cooking and jewelry making to robotics and psychology were chosen, resulting in a number of extremely original, well thought through and perfectly executed and presented work.

**KG1
STUDENT LED
CONFERENCE**

“Unplug your kids!”
A session on monitoring screen time by the School counselor.

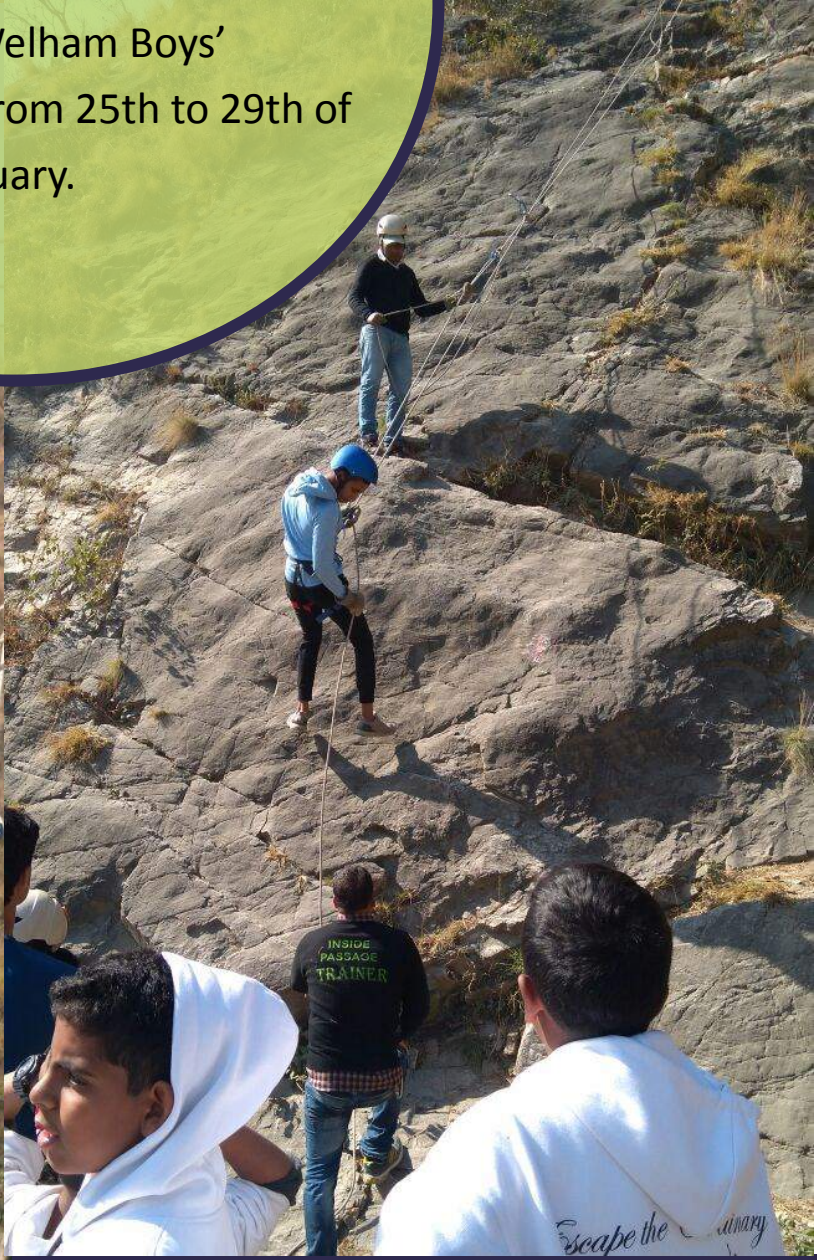

13 students from grade 11 participated in the Bangalore International School Round Square Conference from 22nd January to 25th January.

10 students from middle school attended the Global Round Square Conference hosted by Welham Boys' School, Dehradun from 25th to 29th of January.

LUMINARY SPEAKERS

It is always a honour listening to our luminary speakers about their brilliant achievements.

In December, Dr Bina Thomas Tharakan, archæologist, history enthusiast and heritage specialist spoke to the senior students about the value of heritage and how we could spot some history in every nook and corner of the city around us.

In January, we had MsJayanthiKuru-Utumpala, the first Sri Lankan woman to scale Mount Everest addressing our students about he adventurous expedition in 2016, when she formed the Srilankan Mount Everest expedition. Jayanthi Kuru-Utumpala's summit makes Sri Lanka the fourth country in the world, in which a woman has been the first person to reach the top of Mount Everest.
