HOSTEL FORMAL DINNER

We the hostellers had a formal dinner night on 25th January 2019 which turned out to be a very good experience. That was the day where we dress up in our classy formals and attend the dinner set up by the management. It can also be called a lesson for us because on that day we learned how to use cutlery and behave at a formal occasion. The evening started with an assembly with the theme of republic day. The hostellers conducted the assembly very beautifully. They had organized a band and a dance for the assembly in the limited time they were given. The chief guests were Ms. Sapnu George our executive director and Ms. Rema Pillai our section head. They enjoyed the program and congratulated us on the event. After the program we proceeded to the mess hall for dinner. The mess hall was set up in excellent finesse and class. A proper set of cutlery along with a printed menu was provided. We were very excited. The dinner was a 4 course meal where we had soup first followed by bread, the main course and then dessert. It was a great experience for all the hostel students. We hope that this event will take place in the years to come.

PYP Sports day

The PYP Sports Day was held on 19th January 2019, and was a resounding success. Students from all houses put in their best efforts for their house. Agni house emerged as the Overall Champions of the Sports Day. In the end, it wasn't the medals that mattered, but in fact the competitive spirit and desire that had been showcased throughout the day.

Swimming gala

The annual swimming gala was held on Jan 28th and it was a huge success as students showcased their rigor and passion in swimming. The students showed their house spirit by trying their best to contribute as much as they could to raise their house points and attain the first position..

However, Prithvi house emerged victorious amongst all houses.
