

Trivandrum International School

TRINS ON TUESDAY

From the Principal's Desk : I was in Hyderabad at the weekend at the Global School Leaders' Consortium. Trivandrum International School collected four awards - two for individual teachers, one for TRINS ELC and one for our social service initiatives. Whilst being called up on stage is nice, a more authentic experience is gained from the daily engagements that combine to make a reality of the school's vision. It is that that brought our visitors from the Central Tibetan Administration this past week - and it was this that was on show during the Talents Day for students in Grades 6 to 12.

I was glad that some parents were able to join us for Talents Day, and am sure that there will be more in school for the PYP Talents Day on 4th August. Please make sure you are keeping the evening of 19th August free as this is Founder's Day. Again, this will be held at school and will be a celebration of our students' many accomplishments during the 2022/23 academic year.

TRINS Bags Four Awards @ GSLC

GSLC Inspire 3.0

The Principal, Mr Hillebrand, and the Head of the SEN Department, Ms Sini, attended the Global School Leader's Consortium in Hyderabad on 28th and 29th July. Four awards were collected. Ms Sini collected Special Educationalist of the Year (Currently Educationalist) and Ms Anuradha has received Innovative Curriculum Developer/Designer of the Year (regional). TRINS ELC was awarded Pre-School with the Interactive Infrastructure and Trivandrum International School was recognised for School with Effective CSR Activities.

Student Achievements

Congratulations to Michael P.S. of Grade 8B for publishing the book, 'Petals,' in which he shares his life experiences. A copy of the book is available in the library and in the SEN department.

The International Award for Young People

Arati Nair (batch of 2023 and outgoing Head Girl) was presented with the bronze International Award for Young People when she visited school on Tuesday.

TRINS ON TUESDAY

The IAYP is how the Duke of Edinburgh Award is now termed in India. This scheme provides the opportunity for young people to challenge themselves and gain recognition for their accomplishments with a bronze, silver or gold award. Alongside developing skills and experiencing adventure, service to others is a key component. As such, the IAYP aligns with what TRINS aims to archive for its students. Mr Michael is the Award Leader in school and recently went on a training course in Bangalore.

TRINS Main School

The Hostel: Hostel students enjoyed their own talent show on Sunday, 23rd July - a chance for all members of the hostel to celebrate each other's contributions. On 28th July, the hostel students headed to Go-Go Land, Poovar for a day full of activities and challenges for the first hostel outing of the year.

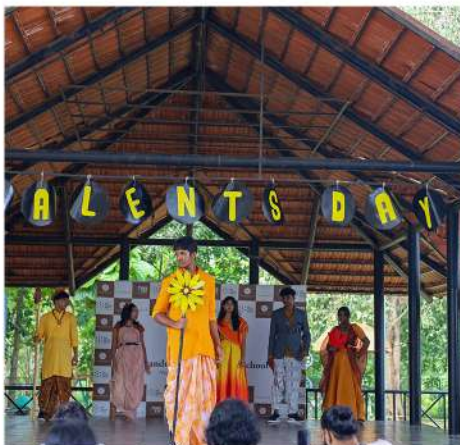

Trivandrum International School

TRINS ON TUESDAY

TRINS conducted Talents Day on 26th July to give a platform to the many talents found amongst the students from grades 6 to 12.. The school celebrated the event with a variety of programmes, both solo performances and group events. Both the participants and the audiences were enthusiastic and in high spirits - the fashion show and group dance were the culminating events that ensured the day ended on a wonderful high. Talents Day is a house event and provides the opportunity to strengthen bonds within each house, as well as giving new students a chance to be energised by the community spirit of TRINS. Agni house emerged as the winner from a day of hard-fought, fun competition.

Thank you to the event coordinators, Ms Aiswarya and Ms Renjini. The house mistresses Ms Anuradha, Ms Ambili, Ms Girija and Ms Synthia played a crucial role in making the event run smoothly by coordinating with the students and supporting them during the event.

Trivandrum International School

TRINS ON TUESDAY

A group of Tibetan teachers from the Department of Education, Central Tibetan Administration, Himachal Pradesh, visited TRINS from 24th to 26th July. They were hosted by the SEN Department and were able to observe the inclusive practices during the inclusive lessons, as well as the IEP lessons. They also visited TRINS ELC at Technopark. A big thank you to all the teachers for their kind cooperation and support.

As part of the ongoing theme, "Who we are" on the topic Body Parts and their functions, two students from Grade 5A, Jeshnaa Hari and Radian Zachariah John, had demonstrated a model of lungs that they made and shared their understanding of how the lungs function with the students in Grade 2. The interaction was fruitful and the students were excited to watch the demonstration and understood the functioning of the lungs.

Sensitisation sessions were conducted by the SEN Department for grade 4A, 1A and 1B students.

TRINS ELC

TRINS ELC Technopark : This week, the little ones at PK2 had an exhilarating Wow Wednesday event, where they roared with excitement as they transformed into tigers, indulged in lively tiger dances, immersed themselves in captivating storytelling sessions and engaged in playful games. The children were overjoyed, and credit goes to the incredible efforts of their facilitators - Ms. Sheena, Ms. Milan, Ms. Shehina, and Ms. Saniya. Their dedication and creativity made it an unforgettable and joyous day for the young learners. Hats off to these educators for orchestrating such a fantastic and enjoyable experience!

TRINS City Campus Sasthamangalam: The Early Learning Center of City campus celebrated "Wow Wednesday" as Tiger Day on Wednesday, 26th July.

Children came in attires related to tigers - in tiger masks, tiger face paints, tiger printed T-shirts and dress, dressing up in combinations of tiger colours , carrying bags packed with tiger toys etc. They role-played as tiny tigers making noises like tigers , took photographs and discussed tigers with their teachers. Thank you Ms Harmya and Ms Aparna for making this day a fun-filled "tigerous" day for your tiny tots. Thanks to the entire ELC teachers for planning these wonderful days for our tiniest toddlers and preschoolers.

Upcoming Events

Get ready for an exhilarating day as we gear up to celebrate the much-awaited PYP Talents Day on Friday, 4th August 2023! Students from Grades 1 to 5 from Main School and Technopark campus are excited to showcase their talents. The event will be held across three venues: Junior School porch, Seminar Hall, and the classroom adjacent to the PYP Art room. From dazzling dance routines to awe-inspiring speeches, PYP Talents Day promises to be a day full of joy, wonder, and celebration within our school community. Don't miss this extraordinary opportunity to witness our young stars shine!

TOK Exhibition -Batch of 2024, on Wednesday, 2nd August in the Academic Block.
