

## TRINS ON TUESDAY

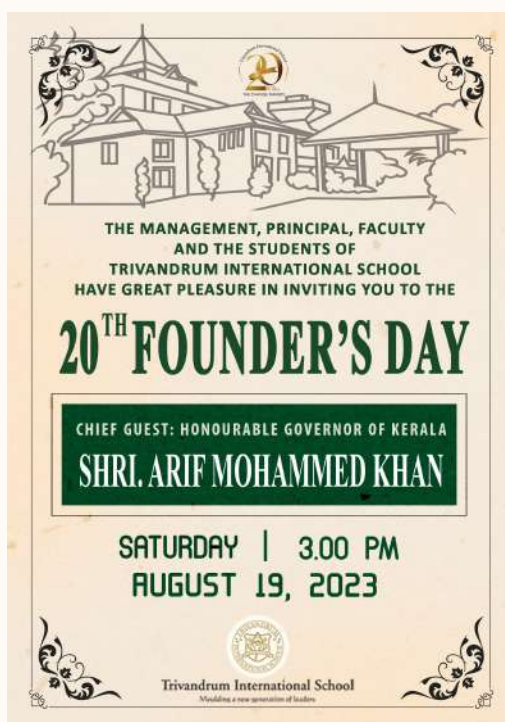

### From The Principal's Desk:

The next edition of TRINS on Tuesday will carry pictures of both the Independence Day assembly and Founder's Day. In anticipation of the former, let me send you my greetings on the 77th anniversary of India's independence. It is a privilege for me to be able to spend time in this diverse and dynamic country making some contribution to the education of its young people.

Our Chief Guest for our Founder's Day celebration is the Honourable Governor of Kerala, Shri. Arif Mohammad Khan. All TRINS parents are invited to the event, a real highlight of the school calendar. Please reach the school in order to be seated by 3pm - if you are able to reach by 2.30pm, that will give you time to park and make your way to the auditorium. It is an honour for the school to welcome the Honourable Governor to this occasion and a fitting accolade as the school marks its twentieth anniversary.

This will also be our moment to celebrate the academic accomplishments of the 2023 graduating batch. This week we received the Cambridge International A-level results. I am delighted to report that the pass rate has increased, as has the percentage of students awarded the top grades. This is also the story for our International AS-level results, written by the Grade 11 students following the A-level route. What I am particularly pleased about is that these qualifications mean access to top universities now for our students and credit that they can continue to draw upon as they progress through higher education and into the world of work.

## Student Achievements

The release of the Cambridge International A-level and AS-level results for the June session on 10th August saw TRINS students awarded top grades for their academic accomplishments. International A-level examinations are written at the end of Grade 12 and enable students to gain entry to universities in India and across the world. The graduating students' destinations include Vellore Institute of Technology, Manipal Academy of Higher Education, Manipal Institute of Technology, Georgia Tech (USA), Western University (Canada) and Bath University (UK).

39% of the grades awarded to TRINS students were the top A\* and A grades. The school's toppers are Arati Nair, who achieved an outstanding four A\* grades; Nitin Nanadakumar (three A\* grades and one A grade); Riya Javas (three A\* grades); Eeshaa Sethna (two A\* and two A grades) - all also were awarded an A grade for AS-level English - and Mathew Mariel Joseph (four A grades).

The International AS-level examination is written by students at the end of Grade 11 and the result counts towards the final A-level grade. A is the highest grade that can be awarded to a candidate in this examination and 36% of grades awarded to TRINS students this year are A grades.

The school toppers are Meghha Rajith, Sidharth Siburaj, Nathania Ann Philip and Siddharth Gopalakrishnan, who scored four A grades each, and Alok Dhanus PV, who achieved three A grades and one B grade.

Congratulations to all our Cambridge A-level and AS-level students and to Ms Gayathri Rani and the teachers who have guided and encouraged them.

## TRINS ON TUESDAY

Omkar Parameswar of Grade 6 has had a story book, 2060, accepted by Ivory Publications (UK) for publication. It was released in Kerala by Ivory in Thrissur on 13th August. The book was released by renowned author Chetan Bhagat, who handed it over to Dr Ajayyakumar, author and Management Thinker. Also present was Krishna Teja IAS, Collector - Thrissur, who appreciated Omkar on his achievement.

TRINS students competed in two intercultural events on Saturday, 5th August. Jerome and Rittviksaran won second prize at the Vibe event (hosted by L'ecole Champika) with their Million Dollar Dream pitch. TRINS students also achieved a third place in the dance competition and the art event. Meanwhile, in the Srishti festival hosted by Saraswathi Vidyalaya, Minaxee and Ahamed Anoof took second prize in the 221 Baker Street event.

## Main School Activities

**Session on Creative Accounting:** Today, 11th August, Grade AS and A level Accounting students attended a session on Creative Accounting, presented by Alumni Rishi Ramdass. The session gave the students more information about how the Accounting ambiguities are dealt by businesses in the modern-day world.

**Educational and Interactive Session:** The students of Grade 2 enjoyed a highly educational and interactive session led by Dr. Bibilash and Dr. Karthika Bibilash, parents of Vrindha Bibilash of Grade 2 and Vedha Bibilash of Grade 6. The session centred around the topic of 'Taking care of our Internal and External Body Parts.' During this session, the students gained insights into the significance of proper nutrition, hydration, hygiene, and rest. The students displayed enthusiastic participation throughout the question and answer rounds, leaving the guest speakers impressed by the depth and thoughtfulness of their responses. Thank you to Ms. Miranda and Ms Chinmayambika for arranging this fruitful learning engagement.

**The Panel Discussion:** The panel discussion with representatives of different sessions of our school made Grade 4 students aware of how interconnected the school is. We are grateful to Mr. Sreekumar, Head of Accounts, Mr. Manoj from the Kitchen, Ms. Sangeta, Head of Boarding, Ms. Dhanya, Admissions and Ms. Aarti from the Transport department for sparing their time and sharing their insights. A big shout out to Ms. Newshee, Ms. Aswathy and Ms. Karthika for arranging this fruitful interaction.

**SEN Group Therapy:** Starting this week, the S.E.N department has introduced group therapy sessions twice a week to enhance communication, social-emotional regulation, and group behaviour. These sessions incorporate brain gym exercises, music therapy, occupational therapeutic activities, and speech stimulation activities. A heartfelt thank you to Ms. Ahalya, Ms. Karthika, Ms. Meenu, Ms. Kavya, Ms. Amritha, and Ms. Girija for leading these sessions.

**Friendship Day:** On Monday, August 7th, the Early Years joyfully commemorated Friendship Day. Dressed in vibrant yellow attire, students shared tokens of friendship such as bands and cards. Heart-warming stories and harmonious songs imparted valuable lessons on compassion and collaboration, enlightening the students about the significance of caring for one another and working together as a team.

**Literary Festival:** The inaugural Literary Festival (Lit Fest) for KG 1 and KG 2 was a resounding success. KG 1 students showcased their talents through an engaging action song performance, while KG 2 students confidently participated in a captivating show and tell session. The heartening sight of students shedding their hesitations and presenting themselves confidently before their peers filled the moment with genuine satisfaction.

## TRINS Technopark ELC

**Friendship Day:** On the sunlit morning of 7th August, the vibrant spirit of friendship came alive as the little stars of Technopark campus gathered to celebrate a heart-warming Friendship Day. Dressed in hues of sunny yellow, the children radiated happiness and positivity, a perfect reflection of the theme that enveloped the day. The day began with a lively series of games that brought the children closer together. Creativity knew no bounds as the children engaged in crafting delicate butterfly bracelets. We also shared friendship day stories. Friendship Day concluded in the various learning zones as the facilitator led a thoughtful discussion with the children about the significance of friendship and the values it represents.

**Literary Fest:** On Monday, 7th August, KG1 and KG2 of Technopark had their first literary fest. To kick start this exciting event, we organised an Action Song for KG 1 and Show and Tell for KG2. The day was filled with enthusiasm and showcased our students' talents in full spirit. The Action Song performance by KG1 students was a delightful sight, as they sang and danced with infectious energy. KG2 students, on the other hand, captivated the audience with their show-and-tell presentations, showcasing their unique interests and abilities. The literary fest was not only a platform for our students to shine, but also a testament to their dedication and hard work. A special thank you to the brilliant kids and facilitators - Ms Sreedevi, Ms Sangeetha, Ms Jasmin, Ms Veena and Ms Gopika - who participated with such enthusiasm and creativity.

## TRINS Sasthamangalam

**Play Date with Parents:** KG1 of City Campus conducted a theme-based play date with the parents. Parents who volunteered came in with a plan to play the game "Hot and cold" with the children. Collaborating with the teachers they got a glimpse of how "play based-inquiry based" learning happens in our kindergarten. They experienced the learning that happens while playing and the valuable lessons our children learn for life in a simple game. To the excitement of the enthusiastic parents, children exhibited team-work, social skills, listening skills etc while learning to help each other, to let go, to take turns, to be okay to fail and to appreciate their friends who win. Looking forward to more parent collaborations to come. A big shout out to Ms Nisha and Ms Sreedevi M G to have planned and executed the day effectively.

**Friendship Day:** Early Years of City campus celebrated a fun-filled Friendship Day. Children made bands for each other as a token of loving and caring. They listened to the story of a "Friend in need is a friend indeed" recognizing how important good friends are in our life. They wished "Happy Friendship Day" and hugged each other as a gesture of never-breaking the bond of friendship. Thank you so much Ms Nisha, Ms Swapna and Ms Sreedevi M G for always being the pillar of strength for our little ones and showing them the path of sharing and caring.
