

TRINS ON TUESDAY

From The Principal's Desk: We celebrated Founder's Day on Saturday, 19th August - an event graced by the presence of the Honourable Governor of Kerala, Shri. Arif Mohammed Khan as Chief Guest. The Honourable Governor spoke of the importance of schools such as TRINS maintaining high educational standards and preparing young people to take on the responsibilities of young citizens - both of India and of the world. That students should understand and value the diversity of India

and its wonderful heritage were themes that his speech developed. We were proud to present the Honourable Governor with a coffee-table book marking the school's twenty years.

Founder's Day was that showcase of individual accomplishment and collective endeavour that it has always been. The students to whom the Honourable Governor presented awards reflected the diversity of activities that TRINS students are involved in, both academically and in the extra curricular sphere. The theme continued throughout the evening, with the music and dance items being particular highlights. Anna Michelle Van Der Spek addressed the gathering as the best outgoing student of the 2023 batch and gave those assembled an insight into the maturity of our graduating class. Another significant moment for me was the presentation of students who joined the school in that first year, 2003/2004. To have these students on stage - some back for the first time since leaving the school - was very special as they are the reality of the school's developing heritage.

We also celebrated our academic toppers, including those who received their IGCSE grades during the week. Ajitha Rajakantham and Ayreh Thomas Mathews Malayattoor were presented with academic scholarships for their outstanding results. All our students who wrote board examinations in 2023 have done the school proud and I wish each one every success on the next step of their personal journey.

TRINS ON TUESDAY

Student Achievements

Cambridge IGCSE results: Cambridge IGCSE results arrived on 16th August, the final set of board examination results from the 2023 exam sessions. Students are awarded grades from A* (90% and above) to G. 57% of the grades achieved by TRINS students this year are A* and A, a tremendous achievement for the students involved and the teachers who have guided them over the past two years.

Our toppers will be celebrated at Founder's Day: Ajitha Rajakantham was awarded 8 A* and 2 A grades; two students achieved 8 A* grades and 1 A grade: Aryeh Thomas Mathews Malayattoor and Juwon Shin. A further two students achieved 7A*s and 2 A grades – Dhyhan Madathil and Joshua George Chandy. Also achieving at this high level are Aditya Biju and Jacob Thannekunnel Mathew (7A*s 1A 1B).

All students deserve our congratulations on their hard work over the past two years. They have demonstrated great tenacity, especially when their Grade 9 schooling was disrupted. We look forward to their further success as they progress through Grades 11 and 12.

Ajitha Rajakantham

Aryeh Thomas

Juwon Shin

Dhyhan Madathil

Joshua George Chandy

Jacob Thannekunnel Mathew

TRINS ON TUESDAY

All Kerala Swimming Championship: On 15th August, our students participated in the All Kerala Swimming Championship for Independence Day Cup 2023 at Edathua, Alappuzha and won 6 gold medals, 27 silver medals and 9 bronze medals. Kudos to Ms Aneesha, Mr Prasanth, Ms Drishya and Mr Manoharan for training our swimmers.

The Young Innovators Programme of KDISC: Congratulations to Mihir Girish of 10IG and Anaga Asok 12DP, Nathania Ann Philip of 12A2 who have won the state level competitions of the Young Innovators Programme of KDISC conducted by the Government of Kerala. Mihir's idea of using Arduino technology to deter wild hogs in farms and Anagha and Nathania's idea of creating an app to connect the internship opportunities with the youth have gained recognition at state level. The state will help with their idea to be taken forward to execution. Congratulations!!

TRINS ON TUESDAY

Main School Activities

Independence Day Assembly: On Monday, 14th August, the chess board area was decorated in the national colours to provide a backdrop to a vibrant assembly to mark the 77th anniversary of Independence Day. There was music and dance to celebrate the diversity and unity of India and Grade 4 presented snapshots into the past to commemorate episodes on India's path to independence. Mili (Grade 11) presented a personal reflection on the richness of India. The dining hall was also alive with orange, green and white to welcome students when they went to lunch - for which ice cream was served as dessert.

TRINS ON TUESDAY

Independence Day: On Monday, 14th August, EY joyfully commemorated Independence Day. A special assembly brought together KG 1 and KG 2 students, where tales of freedom and Mahatma Gandhi's wisdom echoed through dedicated teachers. The EY block bloomed with students adorned in vibrant flag colors. The collective voice of teachers singing "We Shall Overcome" was followed by a heartfelt rendition of Jana Gana Mana by all, instilling a deep respect for the national anthem. Amidst boundless creativity, unity, and pride, flags took shape as symbols of this special occasion. Gratitude flows to Ms. Nisha, Ms. Keerthana, Ms. Kavya, Ms. Ahalya, and Ms. Amritha for crafting an unforgettable day.

TRINS ON TUESDAY

TRINS Technopark ELC

Independence Day: On the morning of August 14th, our kindergarten at our Technopark campus resounded with patriotic fervour as we enthusiastically celebrated India's Independence Day. The school day began with a prayer, followed by our school anthem. The rendition of the school's anthem inspired a sense of unity and pride. Children, dressed in the symbolic colours of the national flag—white, orange, and green—stand as a symbol of the diversity and unity of our nation. The team interacted with the students, enlightening the young minds about the historical significance of Independence Day. The celebrations continued to soar as the students of Grades 1 and 2 took the stage, mesmerising everyone with a spirited dance performance. Back in their classrooms, the children unleashed their creativity through Independence Day-themed crafts. The teachers led a moving performance of "Hum Honge Kamyab" (We Shall Overcome) to mark the event's conclusion.

TRINS ON TUESDAY

TRINS Sasthamangalam

Independence Day: We celebrated Independence Day at City Campus on 14th August with a lot of patriotic vigour. Following our school's dress code for the day, children and teachers of the campus were in bright colours of the Indian flag. The day began with a whole campus assembly comprising our ELC and EY groups in which presentations were done showing our country India and the meaning and importance of Independence Day. Children were officially introduced to the Indian flag and its vibrant colours. They danced to the famous "nanha munha rani ho desh ke sipahi ho" song depicting their love for the nation. The assembly ended with the aura of patriotism in the background of our National anthem. In their respective classes, they made Indian flags with their own hands. Ms Srinidhi, Mother of Srishti of City KG1 volunteered and distributed Indian-Flag badges to all our children. A huge shout-out to Ms Sreedevi M G for beautifully conducting the assembly. Kudos to all our home room teachers for integrating the importance of this day in all the domains meaningfully for our little ones.
