WEEK 10

Principal's Message:

As we reopen after the Onam Break, let me first begin by congratulating all those involved in the Senior School Broadway, 2025. It was masterfully crafted and organized, with mesmerising performances by our students. Whether it was theatre, music, dance, or design of props and costumes, our students exhibited high quality and creativity all around. This would

not have been possible without the hard work and dedication of each and every staff member, academic team and admin team, and I would like to offer my sincere gratitude for the same.

I would also like to extend my gratitude to the parents who attended the event and contributed through purchase of tickets and/or donor cards, the proceeds from which went to three organizations - St. Martha's Special Need School, Kazhakootam, APJ Abdul Kalam Tribal Residential School, Attapadi, and Children's Home, Poojapura. Giving back to society is a core part of the school's philosophy and it was heartening to note the entire community putting their best foot forward to raise funds for the less privileged.

We have the PTM coming up on Saturday, September 20th, for the Primary School. The PTM provides an opportunity for the parents and the school to engage in open conversations about the child's progress, strengths and challenges. These conversations are crucial with respect to sharing insights regarding the child and building a collaborative partnership between the school and the parents. PTMs can therefore play an important role in attaining a deeper insight on student learning and behaviour for both the school and the parents. This in turn helps to identify targeted support mechanisms/strategies to help the child which ultimately will lead to enhanced student motivation and better academic performance. I would once again like to extend a warm invitation to all the PYP parents to attend the PTM and I look forward to meeting you on Saturday

TRINS BROADWAY 2025: A Celebration Beyond the Spotlight

TRINS Broadway 2025 was a grand showcase of student talent, creativity, and teamwork — a colourful inter-house drama competition that brought together music, dance, and theatre on one stage. Beyond the spotlight, it was also an evening of compassion, with funds raised through ticket sales donated to:

A.P.J. Abdul Kalam International Residential
Tribal School, Attapadi

St. Martha's Special School,
Thiruvananthapuram

Govt. Children's Home and Special Home,
Poojappura

The evening began with a speech from our leadership and warm welcome addresses, setting the stage for four spectacular one-act adaptations by the houses—**Agni, Jalam, Vayu, and Prithvi.**

Each performance reflected the hard work of student directors, actors, musicians, and backstage crews, who infused every act with creativity and brilliance.

Act 1: Agni House – The Rivals

Agni House opened Broadway with **Sheridan's The Rivals**, a witty comedy filled with disguises, mistaken identities, and duels. With lively acting, sharp dialogue, and rich costumes, the students transported the audience to 18th-century Bath. Directed by **Aryan Sarath Chandran**, the play featured **Rittviksaran P.A.** as **Captain Jack Absolute** and **Ishita Rajesh** as **Lydia Languish**, leaving the crowd laughing and applauding their perfect comic timing.

Act 2: Jalam House – All the Light We Cannot See

Jalam House moved hearts with their adaptation of **Anthony Doerr's Pulitzer-winning novel**. Set in wartime France, the play beautifully captured the intertwined stories of **Marie-Laure**, a blind French girl, and **Werner**, a German soldier. With evocative music, atmospheric lighting, and soulful performances, the act reminded us of resilience, hope, and humanity even in the darkest times.

Act 3: Vayu House – The Imaginary Invalid

A burst of satire and humour followed as **Vayu House** presented **Molière's The Imaginary Invalid**. The audience laughed at the antics of Argan, obsessed with his imaginary illnesses, and admired the **wit of Toinette**, the clever servant who turned the chaos into clarity. Directed by **Apurva Madhulika Chakilam**, the production was a fine balance of comedy, clever staging, and timeless life lessons.

Act 4: Prithvi House – The Greatest Showman

Prithvi House brought the evening to a dazzling close with **The Greatest Showman**, celebrating **P.T. Barnum's** dream to build "a million dreams for the world we're gonna make." With circus-inspired choreography, live music, and brilliant stage design, the act was both visually spectacular and emotionally moving. Directed by **Kyra Karbhari** and **Advay Nair**, with **Advay** as **P.T. Barnum**, this finale left the audience inspired and uplifted.
