WEEK 14 | 14-10-2025

## WEEK 14

### Principal's Message:

The past week was heavy on events with the EY Grandparents' Day being celebrated across TRINS campuses and the STEM Day and Wings of Fire finals in the main campus.

It was such a delight to see our youngest members in action on the occasion of Grandparents' Day. It was also heartening to hear the testimonials shared by many of the grandparents. As a school, it gives us a lot of confidence when our actions are validated and it motivates us to push the boundaries to provide the best education to each and every child.

Events such as STEM Day and Wings of Fire are central to our school's mission of encouraging lifelong learning. These are valuable opportunities for students to actually investigate real life challenges and possible solutions. The themes of sustainability (STEM day) and SDGs (Wings of Fire) are more relevant than ever in today's context, and our students did an excellent job in coming up with innovative and creative solutions to promote sustainable living. Learning experiences such as STEM Day and Wings of Fire can play a crucial role in encouraging research and deepening conceptual understanding, and remain a crucial part of the TRINS curriculum.

**-Gourab Das Sharma**

## Exploring the Power of Innovation – STEM Day at TRINS

**STEM Day at TRINS** was a vibrant celebration of creativity, innovation, and scientific curiosity. The event began with a special assembly that set the tone for an inspiring day dedicated to Science, Technology, Engineering, and Mathematics.

We were honoured to welcome **Ms. Vijayalakshmi Suresh, Scientist at ISRO**, as the Chief Guest. She addressed the assembly with thought-provoking insights, encouraging students to explore, innovate, and think beyond boundaries.

Ms. Vijayalakshmi also visited the exhibitions across the campus, where students enthusiastically presented their projects and experiments. Her valuable feedback and appreciation truly motivated our young innovators.

The campus buzzed with energy as students showcased a wide range of inventive projects — from robotics and engineering models to creative science demonstrations.

WEEK 14

## Events Over:

KORANI CAMPUS

### Wings of Fire: Igniting Young Minds for a Sustainable Future

The ***Wings of Fire*** culmination programme, held on **October 8th**, was a celebration of innovation and sustainability. Students showcased impressive projects inspired by the **UN Sustainable Development Goals**, addressing topics like waste management, gender equality, renewable energy, and endangered species.

The event began with an inspiring session by **Ms. Bincy Baby** and **Ms. Priya Balan** from **ItzSerene**, a digital services company that promotes innovation and sustainability, who encouraged students to think creatively and act sustainably.

As a token of appreciation for their dedication, participants will visit the **Miyawaki Forest Lab, Puliarakonam**, on **Monday, 13th October** for an enriching field trip experience.

WEEK 14

Events Over:

KORANI CAMPUS

## Journey Through the Cosmos: A Planetarium Visit by Grade 2 Students from Main School and Technopark

On **9th October**, **Grade 2** students from both the **Main School** and **Technopark** campuses embarked on an exciting learning journey to the **KSST Priyadarshini Planetarium**. The visit offered an engaging exploration of detailed models of planets, satellites, and other celestial bodies.

The immersive Solar System show captivated the young learners, deepening their understanding of planetary structures and sparking curiosity about the mysteries of space and the possibility of life beyond Earth.

## Diving Deep: Grade 4B's Splashtastics Assembly

On **9th October**, **Grade 4B** brought the underwater world to life in their assembly, **"Splashtastics."** Through dance, storytelling, speeches, and art, students showcased creativity, confidence, and well-researched knowledge on marine life.

The performances highlighted teamwork, inclusivity, and student ownership. Special thanks to parents for their support, and kudos to the students for their enthusiasm and curiosity.

## Bridging Generations: Grandparents' Day at EY Main Campus

On **8th October**, our campus came alive with joy as we celebrated **Grandparents' Day**, honouring the special bond between generations. The day featured delightful performances, interactive games, and the memorable hand-print canvas activity.

Grandparents received a sapling symbolising growth and love, while the photo booth and Fashion Show added fun and flair. Their **heartfelt testimonials** truly inspired us and made the celebration even more meaningful.

The presence of our **Executive Director, Ms. Sapnu George, and Mrs. Mary George**, along with **the Principal and Vice Principal**, made the day even more special. Their participation and support added to the warmth and joy of the celebration.

## Grandparents' Day Celebrations at TRINS ELC Campuses

The **TRINS ELC communities at Technopark, City Campus and Infosys** recently came alive with joy as families gathered to celebrate Grandparents' Day — a special occasion honouring the cherished bond across generations.

### TRINS ELC TECHNOPARK

Thursday, 9th October marked a heart-warming celebration of Grandparents' Day at the Technopark Campus, uniting the ELC and EY communities in a day filled with joy and cherished memories. Our little ones lit up the stage with their delightful songs and dances, while grandparents shared heartfelt messages and enjoyed lively games, a nostalgic 'Memory Lane', and the touching exchange of secret gifts — a beautiful tribute to love across generations.

WEEK 14

## Events Over:

TRINS ELC's

### TRINS ELC CITY CAMPUS

At ELC City Campus, the celebration began with delightful performances by our tiny tots, whose songs, dances, and confident stage presence filled grandparents' hearts with pride and joy. The event featured heartfelt messages, shared talents, and touching exchanges of love between grandparents and grandchildren.

A highlight of the day was a fun game where grandparents identified their grandchild using only their eyes — a moment that brought laughter, excitement, and pure joy to all.

### TRINS ELC INFOSYS

A heartfelt thank you to everyone who contributed to making these events possible — the teachers, support staff, administrative teams, performers, and programme coordinators — for their dedication, meticulous planning, and seamless execution. Your efforts ensured that the day was memorable and joyful for children, grandparents, and families alike.

## Professional Development Highlights – ELC Teams

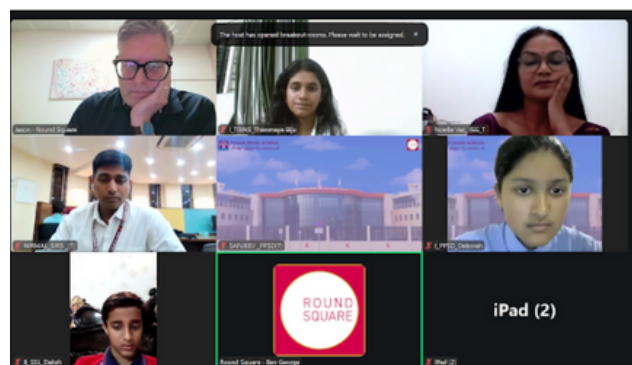

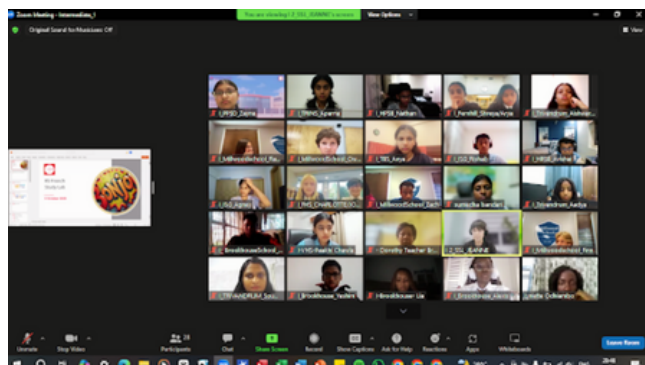

On **4th October**, our ELC teams from **Technopark, City, and Infosys** campuses participated in an enriching Professional Development session at Technopark. Sessions included **Developmentally Appropriate Practice** with **Ms. Deepthi**, **Behavior Management and Positive Discipline** with **Ms. Milan**, **Circle Time Magic** with **Ms. Poppy**, and **Designing Learning Corners and Provocations** with **Ms. Shisy**.

Throughout the day, teachers actively participated in discussions, hands-on activities, and reflective exercises that encouraged them to think creatively about classroom design and instructional approaches. The sessions reinforced the importance of creating nurturing, play-based learning spaces that foster curiosity, empathy, and independent exploration.

## WEEK 14

# Round Square:

## Bonjour, World! – Our Students Shine at French Language Lab

Ten of our students from **Grades 9 and 10** participated in the **Round Square French Language Lab on 9 October 2025**. The session provided a wonderful opportunity to interact with learners from around the world and practise their French speaking skills.

The session began with a brief introduction by the host, followed by breakout rooms where students engaged in icebreaker activities and introduced themselves in French using visual prompts. They also presented their pre-work on **“Ma journée typique” (My Daily Routine)**, confidently sharing their daily routines according to their proficiency levels.

The programme concluded with an interactive feedback session, making it a **well-organised and enriching experience** that boosted the students' confidence and language skills.

### Participants:

#### Grade 10:

**Aafreen Saiyed, Aishwaryaa Kashi Vishwanath, Ameya Nambisan, Aparna Muraleedharan, Niranjana Viswambaran Nair, Rayaan Rahi Abdurahiman, Rohan Gopinath, Thanmaya Biju**

#### Grade 9:

**Aadya Lal, Aishwarya Ullas**

**Accompanied by: Ms. Soumya**

## WEEK 14

# *SEN Department:*

## TRINS Receives the Purple Innovator Award for Inclusive Education Excellence

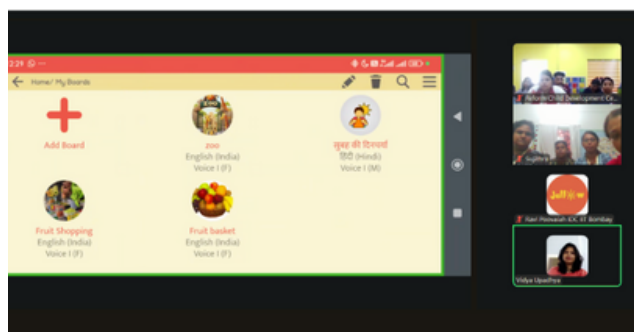

We are delighted to share that **Trivandrum International School** has officially received the **Purple Innovator Award for Inclusive Education Excellence – South India** at the **International Purple Festival** held in Goa on **12th October 2025**.

The award was presented by the **Education Minister of Goa** and a **UN representative**, recognising TRINS for its innovative methodologies and inclusive practices in education. **Dr. Sini Regi Thomas** received the award on behalf of the school, marking a proud milestone for the TRINS community.

## AAC Awareness Month: SEN Team Training on the Jellow App

As part of **AAC (Augmentative and Alternative Communication) Awareness Month**, our SEN teachers—**Ms. Shalini**, **Ms. Sujithra**, **Ms. Anne**, and **Ms. Joan**—attended an online training by **Reform Child Development Centre** on the **Jellow App**, a communication tool for children with special needs.

The session showcased features that help children express their needs effectively and support their inclusive participation in the learning environment.

## WEEK 14

*SEN Department:***Fostering Empathy and Inclusion: Grade 2A Sensitization Session**

On **8th October 2025**, **Ms. Anne** and **Ms. Shalini** conducted a thoughtful sensitization session for Grade 2A students. The session focused on promoting empathy, understanding, and inclusion, helping children appreciate diversity and develop a caring attitude toward others.

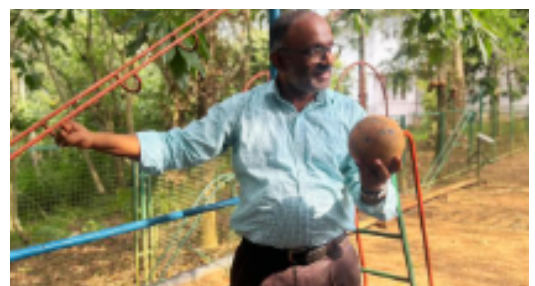

This initiative reinforced our commitment to nurturing compassionate and socially aware young learners.

**Exploring Science Through Play: SEN Team at the Science Park**

**Mr. Binu Abraham**, Physics Teacher, guided the **SEN Department** through the Science Park, demonstrating how children with special needs can engage in observation, exploration, and hands-on learning. Each exhibit was explained with the science behind it, highlighting learning through play and fostering holistic development.

The session was attended by SEN team members and supported by **Lab Assistant Mr. Sreejith**.

WEEK 14

## *SEN Department:*

### Honouring Dedication: ELC Technopark Special Education Team

The **teachers and support staff of ELC, Technopark** working with children with complex or high support needs were felicitated for their patience, dedication, and tireless efforts. Certificates of appreciation were awarded to recognize their compassion and commitment in providing the best care and guidance to every child.

### Promoting Emotional Wellbeing: SEN Department Initiatives

The SEN Department, led by **Ms. Malavika M.** and supported by **Ms. Anne and Ms. Shalini**, organized engaging awareness activities for students, including an interactive talk, **Worry Box, Treasure Box, and Art Therapy Stall** to foster emotional wellbeing. A short session on teacher self-care and wellbeing was also conducted. Special thanks to Dr. Sini for coordinating the programme.

## WEEK 14

*Student Achievements:*

## Young Tennis Stars Shine at Hedge-KTA Championship

We are proud to share that **Madhura (5A)** and **Keshav (5B)** reached the semi-finals in the U-12 category of the **Hedge-KTA Junior Tennis Ranking Championship** held over the weekend. Congratulations to our young athletes for their outstanding performance and sportsmanship!
