Week 04

22.07.2025

Week 04**Principal's Message:**

This week, we celebrated the 22nd Birthday of the school. As we look back, it is important to celebrate the various milestones that the school has achieved in its journey, the staff who have supported the school, and the students who have been and still are our ambassadors all over the world. The school's mission to "empower young learners to become leaders with a lifelong passion for learning and caring"

remains as relevant today as it was during its inception in 2003. As we celebrate our 22nd birthday, we have the duty to carry forward the rich legacy built by the school over the years.

The school's 22nd birthday was marked by the Talents' Day celebrations across campuses. The Talents' Day was more than just an event; it was a celebration of creativity, self-expression, and a diverse set of student abilities in music, art, and dance. I must say that I thoroughly enjoyed the event and congratulations to the organizing team(s) for pulling off an excellent show. It was indeed encouraging to see the students perform and it was a greater pleasure to see the other students applaud and support each performance. Yes, there was a rivalry between houses; however, there was also support, empathy and collaboration. These are the factors which indeed make TRINS an institution with a difference and it remains a privilege to be a part of such a supportive community.

Gourab Das Sharma

TRINS celebrates 22nd birthday

TRINS celebrated its 22nd birthday on Wednesday 16th July with great enthusiasm and joy. The auspicious occasion commenced with a traditional lamp lighting ceremony led by our esteemed Chief Guest, **Mrs. Mary George**. She was joined by our Executive Director, **Ms. Sapnu George**, Principal **Mr. Gourab Das Sharma**, Vice Principal **Mr. Suresh Madhavan**, Accounts Head **Mr. Sreekumar**, Music Department Head **Ms. Brinda** and student representatives.

Following the lamp lighting, a special cake-cutting ceremony took place, led by **Mrs. Mary George** and **Ms. Sapnu George**, marking the joyful milestone.

To extend their heartfelt wishes, the Early Years (EY) students sang a cheerful birthday song, filling the atmosphere with happiness. The Primary Years Programme (PYP) students presented a creatively crafted bouquet made from recycled materials as their unique birthday gift. Senior students expressed their wishes through a mesmerizing dance performance, adding color and energy to the celebration. Trins ELC Infosys students also contributed to the festivities by presenting a handmade birthday card to the school through their Center Head, **Ms. Sneha**. Trins Technopark campus also handed over the handmade birthday card to the school by student representatives.

In their speeches, the Chief Guest, Executive Director, and Principal conveyed their warm wishes and congratulated the school on its remarkable journey and accomplishments. The highlight of the celebration was a captivating performance by the school's rock band, which added a dynamic and memorable touch to the day's events.

KORANI CAMPUS

The Talents Day 2025-26

Talents Day Celebrated at TRINS on 16th July 2025 at the school campus. Students from Middle, High, and Senior School actively participated, showcasing their talents in music, dance, art, and literary events. The event promoted confidence, teamwork, and creative expression, with many students also taking on roles as hosts, volunteers, and coordinators. The collective efforts of students, house mistresses and staff made the day a memorable and engaging experience.

KORANI CAMPUS

PYP (Primary Years Programme)

Educational Trip

As part of their learning under Theme 1: "How We Organize Ourselves," Grade 4 students went on an educational trip to **Kunnil Hypermarket** on **18th July, 2025**. The visit provided a real-world context to explore key economic concepts such as needs and wants, goods and services, and the principles of demand and supply. The students also had the opportunity to independently select and purchase a few items, helping them apply their understanding in a practical setting. It was a meaningful and engaging experience that brought classroom learning to life.

EY- KORANI CAMPUS

Celebrating Milestones – TRINS 22nd Birthday

Our **Early Years** students had their first whole-school assembly performance on **16th July** as part of **TRINS'** birthday celebrations. Their cheerful song and vibrant pom-pom dance lit up the stage, showcasing their confidence and joy!

With our new theme in motion, the children are actively exploring and connecting with the world around them. Goal-setting meetings with parents begin on **23rd July** to help set a focused tone for the year.

We have exciting outings and parent interactions coming up—stay tuned! Thank you to all our parents for being an essential part of the **EY** journey.

TRINS School Birthday Celebration

We celebrated the **School Birthday** with a joyful and meaningful assembly. The event began with a prayer song, followed by our enthusiastic preschoolers coming together to wish **TRINS** a very **Happy Birthday!**

To help children feel more connected to our wider school family, a presentation was shared showcasing the different **TRINS campuses**, giving them a sense of where each campus is located. Students also had a chance to see photographs of the leadership team, along with insights into the important roles they play in shaping our school's vision and journey.

WOW Wednesday – Paper Bag Day Celebration

Our preschoolers had a fantastic time celebrating their very first **WOW Wednesday** with **Paper Bag Day**! As part of our **Go Green** initiative, children came dressed in cheerful shades of green to show their love and support for the environment.

Each child brought a paper bag from home and joyfully participated in a **handprint decoration activity** using green paint. With creativity and excitement, they transformed simple paper bags into colorful and personalized masterpieces.

The highlight of the day was the “**Paper Bag Ramp Walk**,” where students proudly showcased their decorated bags, beaming with confidence and joy. They also enjoyed a lively game of “**Passing the Paper Bag**,” filling the day with laughter and fun.

The celebration concluded with a meaningful message:
Say NO to plastic bags and YES to paper bags!

Celebrating TRINS' 22nd Birthday

The Technopark campus came together in a heartwarming and memorable whole-campus assembly to celebrate the **22nd birthday of TRINS**. This special occasion was not just a celebration of the school's journey, but also an opportunity to introduce our youngest learners to the spirit of unity, pride, and belonging that defines our **TRINS family**. For the very first time, students from Infant Care to **Grade 2** stood together in a formal assembly setting. The event commenced with the school prayer and a heartfelt rendition of the **TRINS anthem**, setting a tone of respect and school spirit. The assembly beautifully introduced the idea of school as a family. Our little ones were introduced to the key members of the **TRINS community** — including our **Executive Director, Principal, Vice Principal, Head of PYP, Assistant Head of PYP, Centre Head**, and all their beloved teachers. A short and engaging narrative helped children understand the structure and growth of **TRINS**, its current four thriving campuses, fostering young minds from the earliest years through senior school. This milestone event was made possible thanks to the dedication and preparation by our teachers, who patiently guided our children through the format and spirit of a school assembly.

Talents Day at Technopark Campus A Celebration of Creativity and Joy

The TRINS ELC Technopark Campus came alive with energy and enthusiasm as it proudly hosted its first-ever **Talents Day for Grades 1 and 2** on **Thursday, 17th July 2025**. This joyful occasion was inaugurated by **Mrs. Mary George**, and we were honored to have **Ms. Sapnu** and **Mr. Gaurab** join us in celebrating our young learners. The event was a true showcase of creativity, confidence, and expression. Our talented students lit up the stage with fancy dress performances, melodious music, graceful dances, and impressive artwork — each act reflecting the unique abilities and vibrant personalities of the children. One of the key highlights was a lively art competition, thoughtfully guided and judged by our Art Facilitator, **Mr. Sujith**, where children brought their imaginations to life on paper. We were privileged to have expert judges from the main school — **Ms. Ruth**, who judged the dance performances, and **Mr. Alan**, who evaluated the musical presentations. Their warm presence and encouragement added immense value to the experience for our young performers. A touching moment of the day was the thank-you video presented by the children, which deeply moved the audience and highlighted the values of gratitude and appreciation instilled in our learners. The celebration culminated in a joy-filled **Family Fiesta**, where children and parents came together to share smiles, stories, and laughter — creating beautiful memories that will be cherished for years.

Wow Wednesday Celebrating Paper Bag Day at Technopark ELC

We were thrilled to kick off the first **Wow Wednesday** of the academic year at the **Technopark** campus with a vibrant celebration of **Paper Bag Day**! This monthly initiative is designed to spark curiosity and creativity among our preschoolers while nurturing important values and life skills. This month's theme was rooted in sustainability, blending purposeful learning with hands-on fun. To set the tone for the day, our little learners arrived dressed in shades of green — a color that beautifully symbolizes nature, growth, and environmental care. Each child brought along a plain paper bag which they joyfully transformed into unique creations using colors, stickers, and craft materials. The highlight of the day was the Bag Walk Parade, where our tiny eco-warriors proudly carried or wore their handmade bags and participated in a cheerful mini “eco-parade,” celebrating their efforts and learning in style! A heartfelt thank you to our ever-enthusiastic ELC facilitators — **Ms. Milan, Ms. Poppy, Ms. Jyothi, and Ms. Megha** — for their thoughtful planning, creativity, and spirited involvement in making this event a meaningful experience for our children.

Week 04

SEN Sensitisation Session

Ms. Aswini conducted a sensitization session in **Grade 4B** on the theme '**Unity in Uniqueness**' during the last lesson on **Friday, 4th July 2025**. Students joyfully took part in two fun and engaging activities that highlighted the importance of accepting and celebrating each other's differences.

On **Friday, 11th July 2025**, during the 3rd lesson, **Grade 4A** had a Sensitisation session "Helping Hands" conducted by **Ms. Iva Elizabeth Jacob**. The class started with a fun group activity where students worked in two teams to unscramble letters and discovered the words "**Kindness**" and "**Acceptance**." A brief presentation on Empathy followed, highlighting the roles and responsibilities expected from them. Later, the students wrote their personal promises on hand-shaped cutouts. Through this session, they learned the value of empathy, being kind, accepting others as they are, and always being ready to help. As part of the Sensitisation program, they visited the SEN Department on **16th July, 2025** accompanied by their HRT, **Ms. Reena**, and Special Educator, **Ms. Iva**. The students were given an overview of the sessions conducted in the department. They greeted their friends there with handshakes. At the end of the visit, they wrote reflections describing the SEN Department as a quiet and happy place with a unique approach to teaching and learning, led by teachers who were kind, caring, and empathetic.

Week 04***SEN Sensitisation Session*****Welcoming Vocational Interns to the SEN Department**

Trivandrum International School is delighted to welcome **Mark Austin** and **Safiya** as part of the Inclusive Apprenticeship Program in the SEN Department. Both are neurodivergent individuals who bring unique talents and perspectives to our team, and as vocational interns they will work alongside our staff to develop real world job skills and explore personal strengths in a supportive environment. This program exemplifies our commitment to empowering every learner, celebrating diversity, and preparing all students for meaningful inclusion in the workplace.

**A Heartfelt Welcome to Our Alumni Volunteers**

The SEN Department at TRINS is deeply grateful to welcome two of our compassionate and committed alumni- **Ms. Ajitha Rajakantam** and **Ms. Jayashree Gangula** -who have returned to their school community to volunteer every Tuesday and Friday. Their kindness, understanding, and presence bring joy to our students and strength to our inclusive efforts. Volunteering with the SEN Department is a truly meaningful journey, an opportunity to witness the world through fresh perspectives, connect with children in unique ways, and play a role in nurturing the 21st-century skills that prepare them for life.

Week 04

Student Achievements:

CNS MUN, happened on **12th and 13th July** at **Christ Nagar School**.

Students: **Ayra** of Grade 10 IG, **Ananya** Grade 11 DP, **Yuvan** Grade 10IG, **Sidharth** Grade 10 IG, and **Ved Sanjeev** Grade 11 had participated. **Ananya** of Gr 11 and **Ayra** of Grade 10 IG received special mention awards.

Our students represented **TRINS** at **Cre8**, hosted by **Le'cole Chempaka**.

We bagged two prizes!

- 2nd for Gallery Awards (art display)
- 2nd for Sync and Cut, short film.

Congratulations to all the participants and winners!!

Week 04

Round Square:

Trivandrum International School hosts RS Zoom postcard: On Wednesday, 9th July, 14 students from Grades 11 and 12 successfully hosted a Round Square Zoom Postcard on the thought-provoking theme 'Equality – Dream or Reality?'

Entirely student-led, the session brought together 70 participants from 13 Round Square schools across the globe. Through engaging discussions and interactive barraza rooms, the postcard created a meaningful platform for students to reflect on the challenges and possibilities of achieving true equality in today's world, thereby enhancing their key leadership skills as well. Leading an international dialogue helped them grow in confidence and take ownership of their voice on issues that matter.

Congratulations to Ananya Nair, Apurva Chakilam, Advay Nair, Sasha Zachary Jayaraj, Kamya Nair, Ishitha Rajesh, Aditya Arun Varghese, Bal Kiran Nair, Johaan Immanuel, Diya Dinu Mathew, Lyrah Ann Anoop, Gaurika A J, Chandrika Pradeep & Anushree Ramesh for an amazing postcard and being such brilliant hosts!
