Executive Director's Message:

Dear Parents

As TRINS steps into its **22nd year**, we are excited as we begin a new phase of growth, marked by a new leadership team. The blend of established experience and best practices, brought by our newly appointed Principal and Vice Principal, will undoubtedly support **TRINS'** ongoing progress.

As a school, we are committed to creating an environment where every one of our students feels truly empowered. We believe in nurturing their agency, giving them the chance to take ownership of their learning journey. This means providing ample opportunities to explore their interests and develop their talents. This is another reason why Talents Day is always how we celebrate the **School's Birthday**.

In my first address to the students at our School assembly, I spoke about the importance of clarity and reflection. We discussed how having a clear understanding of our goals and expectations can help us navigate the year ahead. As a School community, it would be wonderful if we could each separately and collectively live out this year with such clarity, and model a culture of personal and academic/professional growth to our children as well.

Together, let us make this a year of remarkable growth, meaningful collaboration, and exceptional accomplishments – for our students, our staff, and every family at TRINS.

Here's to a year of shared success and proud milestones!

Warmly,
Sapnu George

Principal's Message:

It has been an exciting start to the new academic year. It was a pleasure to meet and interact with parents during the orientation sessions and now that the students are back, the campus is buzzing with energy and enthusiasm.

Some of our students have been practicing hard for the upcoming **La Fest** and I would like you to join me in conveying to them our best wishes for the upcoming competition. We also have the Talents Day coming up and I am excited to find out what the four houses have in store for us.

We will be sending out invites to parents shortly for the Talents Day and I am looking forward to a large turnout to support our students.

There is a change in the school's academic calendar. The **Grade 6-12 Broadway** has been moved to 27th August and the **Onam celebrations** will take place on August 22nd. I would like to request everyone to make a note of these changes and I apologize for any inconvenience caused.

I would like to thank everyone for the wonderful welcome that I have received at TRINS and would like to reiterate my commitment to do the best for every child.

KORANI CAMPUS

The Arts Scene at TRINS: A Vibrant Hub of Creativity and Energy

The Arts Department at TRINS is buzzing with excitement and creative energy as we dive into an action-packed term!

The Music Department is in full swing preparing for the much-anticipated La Fest. The corridors echo with melodies and rhythms as students rehearse with passion and enthusiasm, making the entire school come alive with music. Meanwhile, our Art students are actively engaged across all levels- from PYP to Middle School and Senior Secondary. They are exploring new and thought-provoking themes, pushing boundaries and experimenting with fresh ideas. The IGCSE Art & Design students are progressing steadily, while the IB Visual Arts students continue developing their portfolios with remarkable dedication and insight.

The Dance Department is moving to a dynamic beat, with back-to-back practices underway for various upcoming competitions. The energy and commitment of our dancers are truly commendable. Adding to this creative momentum, the recent introduction of Drama as a subject has sparked a new wave of enthusiasm throughout the school. Students are eagerly embracing this expressive art form, exploring character, movement, and performance with great joy.

Looking ahead, the entire Arts Department is thrilled about the upcoming Senior Broadway production in August 2025. With scripts, rehearsals, and production planning in full zoom, it promises to be a spectacular showcase of student talent and teamwork.

Indeed, it's an exciting time at TRINS as the Arts continue to thrive, inspire, and shine!

A Joyful Beginning to the Academic Year at EY Main School

It has been a truly exciting and fulfilling start to the academic year at **EY Main School**. We were delighted to host our **Parent Orientation on Friday, 20th June 2025**, where we had the opportunity to connect with many of you and share our vision for the year ahead.

For our KG1 children, this marks their very first step into the world of learning—a significant milestone not just for them, but for all of us.

The initial days have focused on helping children feel at home through fun icebreaker activities. We're happy to share that our little ones have adjusted beautifully. Much to our delight, we've had a smooth start with no tears—only smiles, laughter, and eager exploration.

The children are enjoying getting to know their peers, discovering the school environment, and becoming familiar with daily routines. It's heartwarming to see how quickly they've settled in and how joyfully they've embraced this new chapter.

The Meet and Greet sessions held on the 25th, 26th, and 27th June offered a wonderful chance for informal conversations, allowing us to get to know our extended family of parents better and begin building meaningful relationships. We look forward to a year filled with curiosity, growth, and memorable experiences together

Father's Day celebration

On 13th June 2025, TRINS ELC, Technopark hosted its first event of the academic year 2025–26 with a joyful **Father's Day** celebration. It was a heartwarming day filled with laughter, bonding, and cherished memories. The celebration began with a spirited game of **tug-of-war**, where fathers enthusiastically showcased their strength and teamwork. This was followed by a creative challenge where dads dressed up their children for a delightful ramp walk, displaying fun and imaginative styles. The event continued with a **fireless cooking session**, where fathers and father figures prepared vegetable sandwiches, lemon juice, and fruit salad alongside their little ones. The experience of cooking and sharing a meal together created beautiful moments of togetherness. As a token of love and appreciation, each father received a handmade **Father's Day** card from their child, making the occasion even more memorable. It was a day that truly celebrated the special bond between fathers and their children. A special note of appreciation to **Ms. Ashaya, Ms. Abi, Ms. Jinny, Ms. Megha, Ms. Poppy, Ms. Saniya, and Ms. Milan** for their dedicated efforts in making this event a wonderful success

A Warm Beginning: Meet and Greet Sessions for PK1 and PK2

TRINS ELC conducted its first Meet and Greet session for PK1 and PK2 on the 24th, 25th, and 26th of July. This informal gathering provided an excellent opportunity for parents and homeroom teachers to connect and engage in meaningful conversations about the children. Parents shared valuable insights, hopes, and expectations, while teachers offered a glimpse into the year ahead. The sessions helped lay the foundation for strong partnerships, making it a warm and thoughtful beginning to the new academic year.

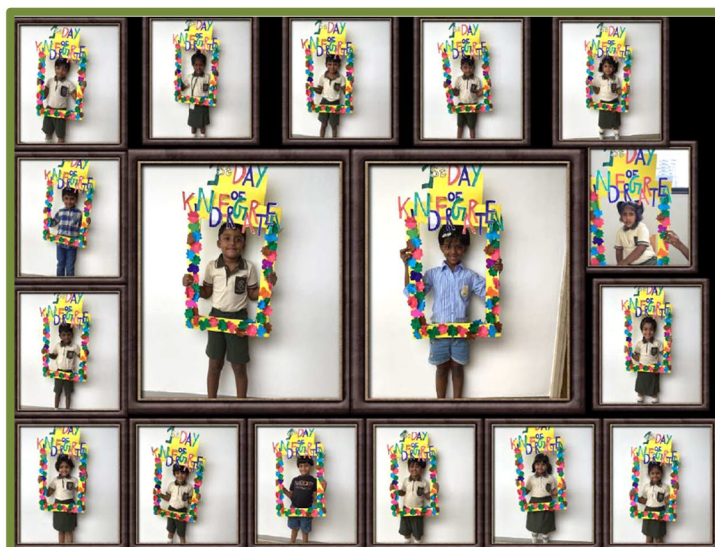

Parent Orientation Day

On 21st June, TRINS ELC hosted a successful **Parent Orientation** for Kindergarten and **Grades 1 and 2**. Parents were warmly welcomed and introduced to the IB pedagogy, gaining insight into our inquiry-based and holistic approach to learning. For Kindergarten, a hands-on play-based activity helped parents experience the kind of engaging environment their children will enjoy. For **Grades 1 and 2**, the session included details about the curriculum, classroom routines, and after-school activities. The orientation fostered strong home-school connections and set a positive tone for the academic year, assuring parents of a nurturing and enriching journey ahead.

First Day of Kindergarten at TRINS ELC!

The first day at TRINS ELC was a joyful start for our **KG1 and KG2 students** at the campus. KG1 little stars enjoyed fun activities like colouring, crown-making, rhymes, and cheerful conversations. Our KG2 students were thrilled to reunite with friends, share introductions, pose for photos, and create pencil-themed crafts. The excitement and smiles lit up the campus as children settled in beautifully. We look forward to welcoming parents for the upcoming “Meet and Greet” – a perfect time for meaningful interactions between parents and homeroom teachers to begin the year with warmth and connection.

First Day of School – Grades 1 and 2

The first day of school at TRINS ELC Technopark was filled with joy and excitement for our **Grade 1 and 2 students**! Grade 1 began their journey with warm introductions, fun games, and bonding activities, while Grade 2 students shared holiday stories, enjoyed a classmate scavenger hunt, and crafted magical wands. Both grades were introduced to the **IB Learner Profiles**, laying the foundation for a year of growth and discovery. These interactive sessions helped students build connections, develop confidence, and embrace the **PYP** spirit. A perfect start to a collaborative and inspiring school year!

Reopening of Early Years at City Campus

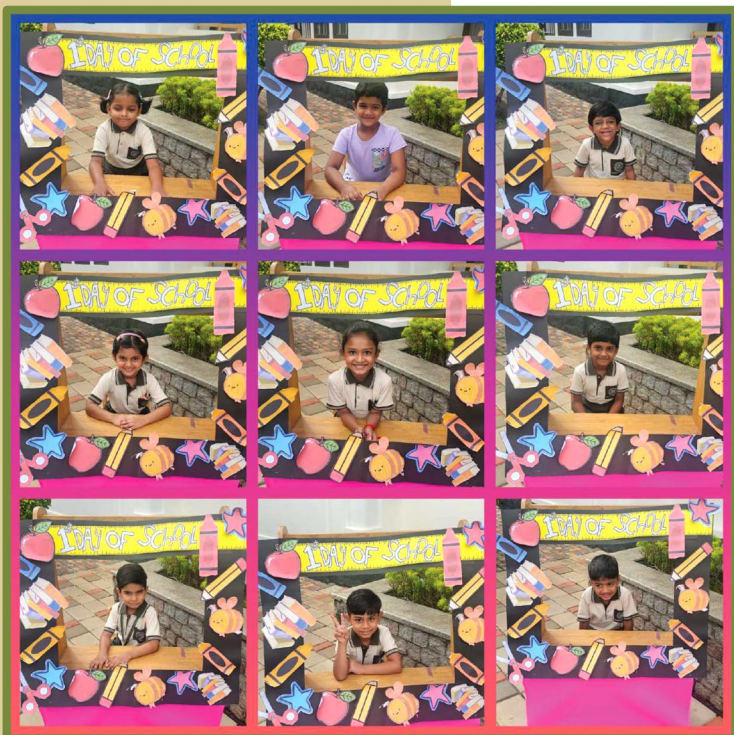

The first day of school is always a mix of excitement and anxiety—for both children and their parents. We're proud to share that our young learners have embraced this important milestone with great enthusiasm and confidence.

The Early Years programme at TRINS reopened on **June 23rd**, and it was heartwarming to witness the energy and joy on campus. At the **City Campus**, the children were thrilled to meet their new teachers and classmates. Their day was filled with laughter, dancing, singing, and creative craft activities. They also prepared adorable takeaways for their parents and captured sweet moments in the "First Day of School" photo frame—an experience that was both memorable and meaningful.

Our heartfelt thanks to the **Early Years educators—Ms. Sreedevi, Ms. Leslin, and Ms. Abirami**—for welcoming the children with such warmth and enthusiasm. The smooth start would not have been possible without the quiet commitment and support of the entire team, including our **ELC educators Ms. Shisy & Ms. Fathima** who played an important role in creating a comforting and engaging environment.

A **Meet & Greet session for both EY and ELC** was held with parents, setting a positive tone for the year ahead. Teachers and parents came together to share expectations, clarify routines, and build a strong home-school connection from the very beginning.

Kudos to the entire TRINS Early Years and ELC team for making the reopening a warm, engaging, and memorable experience. Here's to a joyful and enriching year ahead!

Week 01

Student Achievements:

We're proud to share that **Jane Anind Roy** has been selected as a finalist in the Round Square Heroes Story Competition 2025, which featured entries from students around the world.

Her story, "**Cautious Kate – Kate is a blessing,**" was recognised for its heartfelt message and creativity. Explore the selected entries on the Round Square website. RS Heroes of Discovery Story Competition 2025.

Vedant M Nambiar (Grade 3)- Secured Silver Medal Mega Open Karate Championship 2025.

Week 01

TRINS Residential:

Weekend Highlights

As part of our weekend hostel duty, we conducted two fun activities - a **Treasure Hunt** and **Mission: Find It**. The students had a great time solving clues, searching for hidden items, and working together in teams. These activities were not only fun but also helped them improve their observation, thinking, and teamwork skills. The hostel was filled with energy, laughter, and friendly competition. It was a nice change from routine and gave everyone a chance to learn while having fun."
