Week 03

Principal's Message:

It is my pleasure to share with you that **TRINS** was presented with the **Nallapadam Award**, an initiative by **Malayala Manorama** for the third consecutive year in recognition of the school's commitment to community service. Service Learning is at the heart of the TRINS philosophy and aims at nurturing compassion in students along with a willingness to give back to society.

Again, working with children from different cross sections of the society is crucial for students to understand and address real life issues as well as gain a deeper understanding of the needs of the larger community.

On a different note, this Friday we celebrated **Fresher's Night** in the **Boarding** to welcome all the new students. It was a fun filled event with performances by students as well as our resident teachers and underlined the importance of being part of a community. It was great to see the students support each other and applaud every performance. I was particularly impressed by the way the senior students were supportive of the younger ones, encouraging them and making an effort to ensure that they were included in the festivities.

KORANI CAMPUS

SEN Sensitization Sessions

Ms. Hima, SEN teacher conducted a sensitization session in **Grade 6A** this week, with a key focus on promoting inclusion, empathy, and peer support within the school community. The session aimed to help students understand how to be kind and inclusive towards classmates with diverse learning and behavioural needs. One of the highlights was the interactive activity titled **"Walk in Their Shoes,"** where students reflected on various real-life scenarios and expressed how they might think, feel, and respond in those situations. We sincerely thank **Ms. Anuradha** and **Ms. Preetha** for their valuable support and contribution in facilitating this initiative.

A sensitization session was thoughtfully led by **Mr. Anandhan**, SEN teacher for the students of **Grade 7B**, with a strong emphasis on promoting empathy, inclusion, and peer understanding within the school environment. The session aimed to help students recognize and appreciate the diverse learning and behavioural needs of their peers, and to encourage kindness and inclusivity in their everyday interactions.

SEN Sensitization Sessions

As part of the experience, students visited the **SEN Department** and engaged in interactive morning activities designed to promote awareness and build a sense of community. The students participated with great enthusiasm, making the session a meaningful step toward nurturing a more compassionate and respectful school culture. We sincerely thank **Dr. Manu Mohan** and **Dr. Meera** for their invaluable support and collaboration in making this initiative impactful and memorable.

A sensitization session was conducted on **July 7th** for the students of **Grade 7A**, led by **Ms. Malavika M**, SEN Teacher and Behavioural Therapist. The session aimed to raise awareness and encourage understanding of key topics such as empathy, respectful communication, inclusivity, and responsible behavior. Through interactive discussions, real-life scenarios, and group activities, the session highlighted the importance of being considerate and respectful toward the needs and feelings of peers in various situations. We sincerely thank **Ms. Grace** and **Ms. Sonia** for their invaluable support and collaboration in making this initiative impactful and memorable.

KORANI CAMPUS

Round Square

Five students from PYP participated in the **Round Square Show and Tell** on Tuesday, 8th July.

This month's theme was **"How we Get to School."** A total of ten schools took part in the event, including two from **Argentina** and one from **South Africa**.

The logo consists of a white circle with the words "ROUND" and "SQUARE" stacked vertically inside it, all in a pink, sans-serif font. The circle is set against a solid pink square background.

The session provided students with an opportunity to explore diverse perspectives and lifestyles. It also emphasized the importance of adopting sustainable modes of transportation and encouraged students to think about innovative ways to make travel more eco-friendly. Our school team shared how much they enjoy their ride to school by bus and spoke about the importance of being responsible while traveling on a school bus. Participants: **Chinmayi P Kesav, Pranav Vinayraj, Brahma Mojish S, Avanija Vineed Nair, Dhanush GP**

Parent volunteering in teaching and learning

Grade1 Parent Collaboration: Ms. Sumitha, mother of **Albern Arun** (Grade 1B), conducted a session on Personal Space as part of Theme 1 – **"How We Organise Ourselves."** She discussed the impact of making good and bad choices, and how these choices can affect both oneself and others.

Nallapadam Award

We are proud to announce that **Trivandrum International School (TRINS)** has once again been honored with this prestigious award—for the third consecutive year—in recognition of our consistent commitment to community service.

The **Nallapadam Award**, an initiative by **Malayala Manorama**, recognizes and celebrates exemplary social service activities undertaken by schools across Kerala. The award aims to nurture compassion and a strong service-oriented mindset among students.

The 2024–25 award ceremony was held on Saturday, 12th July, where only 20 schools were selected out of 1,200 schools in the district. We are delighted that TRINS is among the recipients, reaffirming our dedication to making a positive social impact year after year. The award was received by **Ms. Sini Jijo**, TRINS Nallapadam coordinator on behalf of the school.

Welcoming Our New School Counsellor

We are delighted to welcome **Ms. Iriene Johnson** to the **TRINS** community as our new **School Counsellor**. With her expertise and compassionate approach, she will be supporting the emotional well-being and personal growth of our students across all grades.

Parents and students are encouraged to reach out to her for any guidance or support at counsellor@trins.org.

SEN Sensitization Sessions

The ELC Kazhakootam campus is in progress conducting **SEN Sensitization Sessions** for both teachers and students across grades—from **Preschool to Grade 2**. These sessions were led by the **Special Education Needs (SEN) Department**, with the objective of building awareness and fostering empathy within our learning community regarding the support systems in place for children with diverse learning needs.

The sessions aimed to:

- **Introduce the Special Needs Program** offered by the center.
- Clarify the **purpose and intent of Individualized Education Plans (IEPs)** for students who require personalized learning approaches.
- Provide a guided tour and explanation of the **SEN facility**, including various **learning corners and utilities**, demonstrating how each space and tool is designed to support the holistic development of children with learning challenges.

The initiative was **deeply informative and impactful**, enabling both staff and students to better understand the importance of inclusion, differentiated learning, and compassion in an educational setting.

Parent Volunteering Session

Ms. Adeela Abdulla IAS, Mother of Ahmed Husam Rabeeh of Grade-1A

As part of the theme "**How we organize ourselves**", **Ms. Adeela**, conducted a fun and engaging interactive session with **Grade 1 A & B** students at Technopark. Through a simple yet effective number game, the children learned the importance of being organized. The activity not only kept them actively involved but also helped reinforce the value of structure and order in a playful manner. A heartfelt thank you to **Ms. Adeela**, for taking time out of your busy schedule to conduct a fun and engaging session. The number game was not only enjoyable but also carried an important message.

Grade 2 Parent Collaboration Meeting – Theme Discussion

Grade 2 had an engaging online parent collaboration meeting on **Saturday, 28 June 2025**, to discuss the ongoing theme. Teachers shared the theme overview, learning objectives, and upcoming plans, followed by an interactive session where parents shared valuable suggestions and insights. The session aimed at building a strong home-school partnership to support student learning. A special thanks to **Ms. Shanjana** for joining and being an active part of the meeting. Thank you so much **Ms Anice** for conducting this collaborative session productively.

Week 03

Venue: TRINS ELC

Moves and Music, Dress and Hue Our Little Stars Shine Through!

Week 03***TRINS Residential:*****Weekend Highlights**

Boarding students celebrated Freshers Night on Friday evening with great energy and enthusiasm. Freshers Night is an event held to welcome all newcomers into the boarding family and to help build relationships among the boarding community, including residential teachers, house parents, and students.

Students, teachers, and house parents showcased a variety of performances, including singing and dancing. The boarding program at TRINS emphasizes fostering a sense of belonging and community, which eases the transition into boarding school life and reduces feelings of isolation or anxiety.

Towards the end of the evening, everyone gathered on the dance floor, enjoying the joy of togetherness with their innate dancing rhythms.
