ABOUT TRINS

Founded in 2003, TRINS is a leading educational institution in Kerala, pioneering international education in the region. We focus on developing global citizens equipped with skills and knowledge to excel in a connected world. Our curriculum blends the best practices from the International Baccalaureate (IB), Cambridge International, and Indian Certificate of Secondary Education (ICSE), ensuring a holistic approach to academic excellence, personal growth, and social responsibility.

Trivandrum International School (TRINS) is set in a serene, 20-acre eco-friendly campus atop a hill on the outskirts of Trivandrum, the capital city of the State of Kerala, India. The beautifully landscaped campus is a perfect blend of modern amenities and natural surroundings. Convenient road, rail, and air routes make the school well-connected and easily accessible to the international and domestic community.

At TRINS, we aim to provide a world-class learning experience through a highly qualified team of educators who offer individual attention with a low student-teacher ratio. Our state-of-the-art facilities include well-equipped classrooms, science and computer labs, a library, sports amenities, and dedicated arts and music centers.

Our 100+ experienced and dedicated faculty members are at the core of our educational success. TRINS emphasizes the professional development of our teachers, offering opportunities for on-site training as well as regional & international workshops. We believe in fostering an environment where both students and teachers thrive.

OUR VISION

We envision our students as open-minded, lifelong learners who strive to make their worlds better. We see our teachers as catalysts for student success and their own growth. We aim to create dynamic, inspirational environments where learning, teaching, and growth thrive. We aspire for our schools to make a positive and sustainable impact on their communities.

OUR MISSION

At Trivandrum International School, we aim to empower young learners to become global leaders with a lifelong passion for learning and caring.

ACADEMICS @ TRINS

"At TRINS, our passion for creating high-quality, engaging, and joyful learning experiences drives us to offer a curriculum that combines cultural richness with global readiness, fostering holistic development and preparing students to thrive in a dynamic world."

EARLY YEARS

The First Steps to Lifelong Learning

At TRINS ELC, our IB-inspired, play-based curriculum supports the holistic growth of children aged 6 months to 4 years. Through engaging, age-appropriate activities, we nurture cognitive, social, emotional, physical, communication, and reasoning skills, laying a strong foundation for lifelong learning.

In addition to the Early Learning facilities on our main campus, we also have centres operating in Trivandrum City and near Technopark—Kerala's largest IT hub.

What We Offer

- Thoughtfully Designed Facilities: Support play-based learning and creative expression.
- Custom-Made Spaces: Inspire curiosity and encourage discovery.
- Interactive Play Areas: Designed to engage and stimulate.
- Enquiry Zones: Tailored to meet developmental needs.
- Dynamic Spaces: Support cognitive, emotional, and social growth.
- Freedom to Explore: Allows children to pursue interests and express themselves in various ways.

PRIMARY YEARS PROGRAMME – IB

Empowering Young Learners

The Primary School encourages students to:

- Develop problem-solving and critical-thinking skills.
- Become independent and lifelong learners.
- Apply their knowledge in real-world situations.
- Cultivate an international mindset.
- Express themselves confidently and think independently.

The PYP Mission

The IB Primary Years Programme (PYP) fosters a student-centred approach to learning that encourages inquiry, critical thinking, and real-world application. Through transdisciplinary themes, students explore concepts across subjects, developing international-mindedness and essential skills like collaboration, communication, and self-management. The PYP nurtures curiosity, creativity, and a love for learning, preparing students to become lifelong learners and compassionate global citizens.

MIDDLE SCHOOL

Where Learning Meets Exploration

At TRINS Middle School (Grades 6-8), we ignite curiosity, creativity, and confidence through an engaging curriculum and vibrant extracurricular opportunities.

Dynamic Learning Environment

Blend inquiry-driven Cambridge methods with hands-on projects to foster critical thinking and innovation.

Language Options

Explore Hindi, Malayalam, French, or Spanish to expand linguistic skills.

Arts and Sports

Master instruments like Guitar or Veena & excel in Football, Swimming, or Basketball with access to national-level competitions.

Beyond the Classroom

Participate in Model UN, Chess, Robotics, STEM fairs, and yearly trips filled with adventure and exploration, nurturing teamwork and leadership.

HIGH SCHOOL

High School Pathways

We offer two distinguished curricula;

ICSE Curriculum

(offered by the Council for the Indian School
Certificate Examinations - CISCE)

IGCSE Curriculum

(offered by Cambridge Assessment
International Education - CAIE)

Each pathway offers diverse subjects, practical & theoretical assessments, and unique grading systems that cater to varied learning styles. TRINS also offers specialized subjects like Art & Design and Music. Our experienced teachers guide students to make informed choices based on their interests and future university goals.

At TRINS, our High School programme empowers students with the choice between the ICSE and Cambridge IGCSE curricula, both renowned for their academic rigour and holistic approach. These programmes provide a strong foundation for higher education while fostering critical thinking, problem-solving, and global perspectives.

We offer a wide array of subjects across streams, including:

Sciences:

Physics, Chemistry, Biology

Humanities:

History, Geography, Psychology, Accounts & Mathematics

Mathematics:

Core and Extended Mathematics

Languages:

English, French, Hindi, Malayalam, Spanish and German

Creative and Technical Subjects:

Art & Design, Music, Computer Science,
Business Studies,

This broad subject range allows students to tailor their learning to their interests and aspirations, ensuring a well-rounded education that prepares them for the challenges of the future.

SENIOR SCHOOL A-LEVELS

Senior School Pathways

TRINS offers two globally recognised programmes for learners aged 16–19: the **Cambridge International AS & A Levels** pathways emphasise academic rigor, independent thinking, and global readiness, preparing students for top universities worldwide.

Cambridge International AS & A Levels

The A Level programme encourages deep subject understanding and critical thinking.

Structure

AS Level

Studied in Grade 11, with exams at the end of the year.

A Level

Completed in Grade 12

Key Features

- Flexible subject combinations tailored to university goals.
- Builds in-depth knowledge and practical skills in logical thinking, research, and communication.
- Recognized by universities globally for its academic rigor and focus on independent learning

SENIOR SCHOOL DIPLOMA PROGRAMME - IB

The DP Core

IB Diploma Programme: Preparing Global Thinkers

The IB Diploma Programme (DP) at TRINS is designed to challenge and inspire students, equipping them with the skills and knowledge needed for success in higher education and beyond. With a balanced curriculum that emphasises academic depth and breadth, the DP nurtures critical thinking, research skills, and international-mindedness. Students engage with core components such as the Theory of Knowledge (TOK), Extended Essay (EE), and Creativity Activity Service (CAS) while choosing subjects that align with their interests and career goals. This holistic approach prepares students to thrive as compassionate, informed, and adaptable global citizens.

CAREER COUNSELLING & UNIVERSITY GUIDANCE

At Trins, formal career discussions start in middle school, with the form teachers conducting activities in class about interests, aspirations, jobs, success, extra curriculars and so on.

In high school (9, 10), a career counselling lesson is scheduled in the weekly timetable. The topics discussed include subject choices, career options, profile building, universities, courses, choice of curriculum in senior school, how to plan backwards to enable informed subject choices. Subject experts (teachers) also visit the lesson and talk about their subject/career.

In senior school, discussions are focussed on university choices, programme choices, writing personal statements, admission requirements, profile enhancement. University representatives visit and address the students as well.

We are a PSAT, SAT & AP Exam Centres as well.

We also collaborate with IC3 (International College and Career Counselling) to provide students with extensive exposure to global universities and programmes.

SEN PROGRAMME **SPECIAL EDUCATIONAL NEEDS**

Empowering Every Learner

At TRINS, we believe every child has the potential to learn and thrive. Our Special Educational Needs (SEN) programme is designed to provide customized support, ensuring that students with diverse learning needs can achieve academic progress and holistic development. With individualised education plans (IEPs) and the expertise of RCI certified professionals, we create an inclusive learning environment that promotes skill development, self advocacy, resilience, confidence and a strong sense of belonging. By tailoring strategies to each child's unique strengths and challenges and working closely with families, we aim to nurture their abilities. Our ultimate goal is to unlock each child's potential, empowering them to embrace the joy of learning.

SOCIAL SERVICE

Service is a core value at TRINS, emphasizing active engagement over donations. Students are encouraged to contribute their time and skills, fostering empathy and responsibility.

Grade 11 students regularly teach communicative English at local government schools, a tradition since 2006. Other initiatives include donating essentials to palliative care centers, blood donation drives, beach cleanups, and community support projects. The school's drama production, Broadway, serves as a key fundraising event and showcases student creativity.

PERFORMING & CREATIVE ARTS

Visual Arts & Creative Expression

TRINS nurtures artistic talent through a comprehensive program that includes dance, drama, music, and art. From KG to Grade 12, students engage in practical experiences, performances, and individual expression. Our state-of-the-art studios and creative facilities foster cultural appreciation, collaboration, and confidence. Art is a co-curricular subject in Early Years through Grade 8 and a curricular subject at IGCSE and IBDP levels. Under the guidance of skilled and experienced teachers, students have won prestigious art awards and transformed the campus into a canvas of creativity.

TRINS Broadway

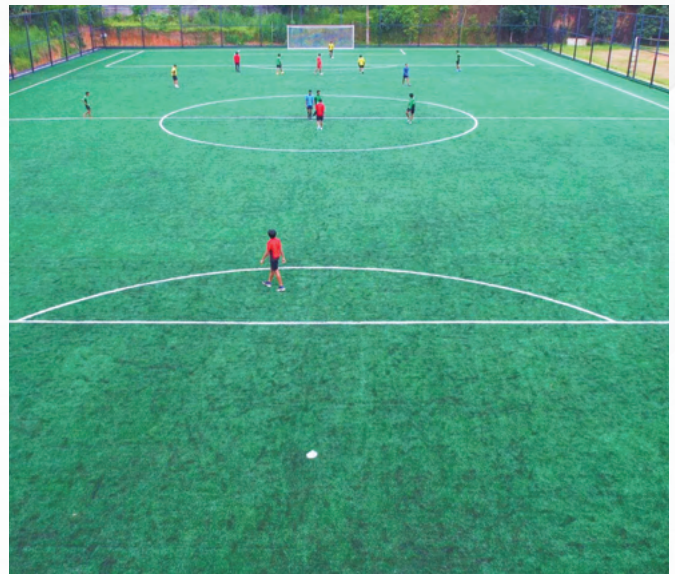

A fundraiser conceptualized by students, TRINS Broadway is an inter-house drama competition that celebrates the creative spirit of our school. This annual event showcases a mesmerizing blend of art, drama, dance, and music.

SPORTS @TRINS

At TRINS, sports are an essential part of our holistic approach to education, promoting physical fitness, teamwork, and personal growth. Through a wide range of sports activities, students develop discipline, resilience, and leadership skills while fostering a sense of camaraderie. Participation in sports enhances mental focus, improves overall health, and teaches the values of perseverance and fair play. By encouraging students to push their limits, we help them build confidence and a lifelong love for physical activity.

- Tennis
- Basketball
- Football
- Cricket
- Swimming
- Badminton
- Table tennis

GLOBAL OPPORTUNITIES

ROUND SQUARE – INTERNATIONAL EXPOSURE

At TRINS, we are committed to expanding our students' horizons through global exposure. Students are provided with opportunities to travel, immerse themselves in diverse cultures, and collaborate with schools worldwide, gaining valuable insights that enhance their global perspective and personal growth.

Round Square Membership

As a regional member since 2011 and a global member since 2017, Trivandrum International School has integrated these IDEALS (Internationalism, Democracy, Environmentalism, Adventure, Leadership and Service) into its programmes and activities, enabling students to engage meaningfully with peers from across the world. Through Round Square's collaborative projects, conferences, and exchanges, students have the chance to develop global competencies, build character, and gain confidence, furthering their understanding of diverse cultures and international perspectives.

GLOBAL OPPORTUNITIES

International Award for Young People (IAYP)

TRINS is affiliated with the IAYP (Duke of Edinburgh's Award) since 2005.

INME Adventure Camps

Participate in outdoor experiential learning that builds resilience, teamwork, and self-confidence

Exchange Programmes

Experience diverse cultures and educational systems through international student exchanges

Model United Nations (MUN)

Enhance public speaking, critical thinking, and diplomacy by simulating global debates

Global Social Awareness (GSA)

Address pressing global issues through meaningful projects and community engagement.

International School Award (ISA)

Celebrate achievements in embedding internationalism across the curriculum.

TRINS BOARDING

The Boarding Experience at TRINS

At Trivandrum International School (TRINS), our boarding programme offers students a unique opportunity to grow into balanced, responsible individuals eager to contribute positively to society. Through continuous relationships and exposure to diverse cultures, our boarding community provides an educational experience that impacts students in a meaningful, lasting way.

Boarding at TRINS offers students a unique and enriching experience, where they benefit from a close-knit, supportive community. It provides a safe, caring environment that fosters camaraderie, leadership skills, and personal growth. With an exciting and challenging schedule, students are encouraged to step out of their comfort zones, develop independence, and take on new responsibilities. This distinctive setting not only prepares them for academic success but also shapes them into well-rounded individuals ready to embrace the world.

TRINS BOARDING

Transformative

At TRINS, we go beyond academics providing a transformative journey that nurtures essential life skills and character development. Our holistic approach aims to equip students with the mindset and tools they need for success in all aspects of life.

Respect

Our fun, friendly environment fosters positive relationships among students, staff and the school. This professional yet warm approach creates an inclusive learning space where all feel welcomed.

Integrity

At TRINS, character building is the cornerstone of our culture. By grappling with diverse circumstances students cultivate the ability to resolve conflicts, make ethical decisions and strengthen their several foundation.

Nurturing

The student- led events and activities at TRINS cultivate a caring and supportive environment, with peer leaders playing a vital role in nurturing a positive living community.

Self Reliant

TRINS value self-reliance and empower students to cultivate it. By blending mentorship, personalised learning, and a supportive community, we equip with the resilience, independence, and confident to navigate life's complexities, beyond the classroom.

EDUCATIONAL & RECREATIONAL ACTIVITIES

A holistic education at TRINS goes beyond academics, with recreational amenities including:

- Sports Facilities, Swimming Pool and Gymnasium for physical development.
- Weekend Social Programs like team activities, trips, movies, beach visits, camps, talent shows, and festivals such as Diwali, Christmas, and Holi.

These activities ensure students enjoy a balanced & enriching experience.

Medical Support

- On-Site Medical Care
- We provide immediate medical attention with a fully qualified nurse available on campus. Emergency protocols are in place in collaboration with local healthcare providers.

Nutrition

Our students enjoy a balanced diet crafted to meet diverse dietary needs. Meals are freshly prepared under the guidance of a skilled chef, ensuring wholesome and nutritious food.

Counselling

Our dedicated boarding counsellors support students in addressing personal, academic, and emotional challenges, ensuring a secure space for self-expression.

Wellness Programmes

- Yoga and Breathwork to help manage stress and anxiety.

INFIRMARY

ADMISSION PROCESS

At TRINS, the Admission Counselling Team is dedicated to supporting families in making the best educational choices for their children. Our goal is to ensure your child's success throughout the admissions process and beyond. Admission at TRINS has a five step process.

Eligibility

- Applicants must meet the age criteria.
- Submission of the past two years' scholastic & co-curricular records is mandatory.
- A copy of the birth certificate or passport is required.

Application

- All eligible candidates can apply through the application form available on the TRINS website. All necessary documents must be submitted for application processing.

Assessment

- Applicants appear for a Proficiency Test and Personal Interview.
- Performance in the test, previous records, and the interview will determine admission.

Interaction

- Families are encouraged to visit the school while classes are in session.
- If visiting is not possible, interactions can be arranged via phone or Skype.

Decision

- The decision to admit will be made by the Coordinator/Section Head and Principal.

Admission Categories

Applications are open for:

- Kindergarten: K1 and K2 (EY)
- Primary School: Grade 1 to 5 (PYP)
- Middle School (Integrated Curriculum)
- High School: Grade 6 to 10 (Cambridge IGCSE & ICSE)
- Senior School: Grade 11-12 (Cambridge AS & A Levels, IBDP)

TRINS upholds confidentiality and respects the privacy of all students and families. The school does not discriminate based on gender, race, color, or national origin in its policies and programmes.

Let us partner with you to build a successful future for your child!

TRINS GROUP OF INSTITUTIONS
